## LinkedIn Learning April Challenge: Let's Talk Communication

**Communication** is at the heart of everything we do – in the workplace, in social situations, and in relationships. Effective communication helps us **understand** and **be understood**, strengthens relationships, and improves productivity. While some may think strong communication is a natural talent, it is a life **skill that everyone can learn**.

This month, we're excited to launch **LinkedIn Learning's April Challenge**, kicking off **April 13<sup>th</sup>**, which will give you the tools you need to be a clear and confident communicator, an active listener, and a great teammate.

Challenge yourself to participate every day – each one takes **~5 minutes** or less. To keep yourself on track, try keeping a journal or print the calendar and initial each day when you've completed it. **Happy learning!**
