

LinkedIn Learning March Challenge: Celebrating Women

March 8th is **International Women's Day**, a global celebration of the social, economic, cultural, and political achievements of women. In some countries, the entire month of March is declared **Women's History Month** to highlight the contributions of women to events in history and contemporary society.

This month, to honor women inside and outside of the workplace, we're excited to launch **Lil's March Challenge**, kicking off **March 9th**. We'll explore gender bias, its impact, and how to **support & empower** women at work.

Challenge yourself to participate every day – each one takes **~5 minutes** or less. To keep yourself on track, try keeping a journal or print the calendar and initial each day when you've completed it. **Happy learning!**
